

CUT AND CREATE

Colour-in the numbers that make up your age

THIS KITE WAS CREATED AND COLOURED-IN BY:

Chantelle

At school Chantelle struggled with maths but thanks to a great teacher, she found that learning and problem-solving can be fun. Now she loves maths and biology and wants to inspire other kids to aim high. Chantelle has a scholarship from the Country Education Foundation and is studying to become a maths teacher.

The sky's the limit for Chantelle!
